## SYSTEMATIC VIOLATIONS OF JUS COGENS

Reference: GENERAL SESSIONS COURT OF COOKE COUNTY ACTION  
NO. 2012-CV-284

COMES NOW, :Ronald-James:Lyons, a living man hereinafter Affiant-Complainant, and make this Claim of Systematic Violations of Jus Cogens by persons posing as contractors and/or agents of the Government of the United States of America, Inc., and its political sub-divisions [i.e. state, commonwealth, county, parish, borough, city-county partnership, city, metropolitan areas, township, un-incorporated areas, corporations etc., hereafter USA, INC.] using legislative measures and other measures to deny the American Peoples the right to self-determination and the enjoyment of basic human rights and fundamental freedoms with willful, intentional, and deliberate violations of Customary International Law [hereafter CIL] prohibiting torture, slavery, involuntary servitude and other inhuman acts which are examples of peremptory norms, enforceable against States and individuals as jus cogens violations.

1.

The above name Defendants violate the peremptory norms and commit the jus cogens crime of Slavery and Slavery Like Practices and provide no respect for the principles of equal rights and self-determination of all peoples, they instead use legislative measures, armed action or repressive measures that violates all mandates of CIL, meaning all persons posing as agents of the government of the USA, INC., uses legislative measures and other measures acting in violation of international law each time they interfere with or infringe on the human rights and fundamental freedoms of Affiant/Complainant subscribing to the crime of Slavery and Slavery Like Practices in violation of jus cogens.

2.

The persons posing as agents of the government of the USA, INC. violates not only the Universal Declaration of Human Rights and other human rights instruments and humanitarian laws on a daily basis, but its own Human Rights policy that it holds out to the world to judge the conduct of leaders and other nations, and even use to invade other nations for protection of peoples for human rights violations. The USA, INC. through its vote within the United Nations Security Council demands that Leaders and other Nations MUST abide by the provisions of the Universal Declaration of Human Rights and other international treaties, conventions, covenants, and declarations, etc., because of the mandate of

the Charter of the United Nations, when the persons posing as officers, agents, and contractors of the government of the USA, INC., through legislative measures, armed action and other repressive measures violates these same treaties, conventions, covenants, declarations, etc., every day in its use to reduce the American peoples to slaves, using slavery like practices where the International Community states that these actions have the identity as violations of jus cogens.

3.

Where public officials or other agents acting in an official or quasi-official capacity have violated national criminal laws, the victims should receive restitution from the State whose officials or agents were responsible for the harm inflicted. In cases where the Government under whose authority the victimizing act or omission occurred is no longer in existence, the State or Government successor in title should provide restitution to the victims, where there is no contract or law between the victim and quasi-government to a mutual performance or violates CIL, such action is said to violate a peremptory norm that also violates jus cogens by State Officials with sanctions of the State.

4.

**Jurisdiction**

THE DISTRICT COURT FOR THE UNITED STATES FOR THE WESTERN DISTRICT OF NORTH CAROLINA, ASHEVILLE DIVISION, has jurisdiction within the Alien Torts Claims Act [hereafter ATCA] 28 U.S.C. 1350, to adjudicate these claims of violations of jus cogens crimes done by persons posing as agents, contractors, members of agencies, departments, and commissions, alleging to be government officials, when the tort of fraudulent deceit of these violations are made known by peoples and where there are no treaties with the USA, INC., that was agreed to by the Peoples to perform to the dictates of the corporate USA, INC., thereby all persons posing as agents, officers, agencies, departments, etc., of the USA, INC., do so with only the authority of slavery, and such authority is seen by the International Community as violations of jus cogens by State Officials with sanctions of the State.

5.

5

The ATCA implements all international human rights obligations of the USA, INC., and gives this Court the duty of considering customary and treaty base international law obligations of the USA, INC., when it address the matter of jus cogens crimes that includes the obligatio erga omnes which are inderogable and present this Court with a duty to prosecute or extradite, apply the non-applicability of statutes of limitations for such crimes, apply the non-applicability of the defense of "obedience to superior orders" (save the mitigation of sentence), grants their non-derogation under "states of emergency," and the universal jurisdiction of such crimes. This Court must consider customary and treaty base international law in this instant case.

6.

The government of the USA, INC., has obligatio erga omnes to Promote, Protect and Recognize universal human rights and fundamental freedoms of all its peoples as the mandate of the Charter of the United Nations, the Universal Declaration of Human Rights and other international human rights instruments are obligations of the government of the USA, INC., [within its duty as signatore to the United Nations Charter, the Universal Declaration of Human Rights and a leading member of the United Nations Security Council]. When treaties condemn an action, there is strong evidence that the action under condemnation violates the acceptance of a jus cogen or CIL norm.

7.

I,:Ronald-James:Lyons herein make this Declaration of my Status as a free man to this Court (per the dictates of Articles 1, & 2, of the Universal Declaration of Human Rights) and ask that this Declaration be made a permanent part of this record and made available to all agents, agencies, departments, commissions, and contractors, etc., of the government of the USA, INC., to be recognize as a free man whose legal status is separate and distinct from the state administering them.

8.

#### CLAIM OF VIOLATIONS OF JUS COGENS BY AGENTS OF USA, INC.

Persons posing as agents, officers and contractors of the allege government of the USA, INC., with no authority, of law only a contract void on its face for lack of authority of international law for full disclosure and in violation by officers, agents, contractors, and corporation within the authority of the USA, INC., to deny the right to self-determination and enjoyment of fundamental freedoms, to ensure that any person whose rights or freedoms as herein recognized are violated shall have an effective remedy, notwithstanding that the violation has been committed

by persons acting in an official capacity; or to ensure that any person claiming such a remedy shall have his right thereto determined by competent judicial, administrative or legislative authorities, or by any other competent authority provided for by the legal system of the State, and to develop the possibilities of judicial remedy, where the same has been taken away by agents of the USA, INC., acting as judicial officers in violation of jus cogens.

9.

The statutes in the accusations of Mr. Thomas V. Testerman and Mr. J. Kelsey Grodzicki with only the authority of slavery like practices for their action according to international law refusing respect for the principles of equal rights and self-determination of all peoples, thereby making this man the victim of a crime by their abuse of power and promotion of the system of slavery like practices in direct violation of jus cogens by State Officials with sanctions of the State.

10.

The Claims of Mr. J. Kelsey Grodzicki and Mr. Thomas V. Testerman for none payment of a debt is a tort of fraudulent deceit [as a false representation of a

material fact made with knowledge of its falsity, or recklessly, or without reasonable grounds for believing its truth, and with intent to induce reliance thereon, on which plaintiff relies on his injury] for their actions using armed action and repressive measures to deny the right of this Affiant/Complainant and other peoples to freely exercise and fully enjoy the recognition of universal human rights and fundamental freedoms that is the birthright of all peoples, where their actions violates jus cogens.

11.

Everyone has the right to be protected against arbitrarily displaced from his or her home, land or place of habitual residence. States should incorporate protections against displacement into domestic legislation, consistent with international human rights and humanitarian law and related standards, and should extend these protections to everyone within their legal jurisdiction or effective control. All peoples have the right to self-determination; by virtue of that right they freely determine their political status and freely pursue their economic, social and cultural development, thereby all persons posing as agents of the government of the USA, INC., that is contrary to international law, is a violation of jus cogens.

12.

The Claim by Mr. J. Kelsey Grodzicki and Mr. Thomas V. Testerman, and the judicial officers of COCKE COUNTY, TENNESSEE using armed and repressive measure to enslave in the name of BAC Home Loans Servicing, LP, f/k/a Countrywide Home Loans Servicing, LP a fictitious Complainant is a tort of fraudulent deceit because of the inability of the BAC Home Loans Servicing, LP, f/k/a Countrywide Home Loans Servicing, LP to testify of injuries and/or damage to property. This process in the corporate courts of the USA, INC., denies all peoples the right to an effective defense, subjects all peoples to arbitrary arrest and illegal displacement, denies their right to a nationality, and the right to self-determination by using armed action and repressive measures against them, all of these actions are outside of peremptory norms and violates jus cogens.

13.

The statutes in use by the General Sessions Court of Cocke County, Tennessee, Inc., is vague with no claim of authority under international law, thereby denying the recognition of inherent dignity and of the equal and inalienable rights of all members of the human family as the foundation of freedom, justice and peace in the world. This is the work of the judicial system of Cocke County, Tennessee using statutes of slavery outside of the peremptory norms enforceable against States and individuals in violation of jus cogens by

State Officials with sanctions of the State.

14.

The statutes in use by Mr. Thomas V. Testerman and Mr. J. Kelsey Grodzicki constitutes a denial of fundamental human rights, is contrary to the Charter of the United Nations and the Universal Declaration of Human Rights and is an impediment to the promotion of world peace and co-operation, is a direct abuse of powers and violates the jus cogens of slavery, war crimes, slavery like practices and makes Mr. Ronald James Lyons a victim of a crime by State Officials with sanctions of the State.

15.

Everyone shall have the right to liberty and the security of person, everyone has the right to adequate housing, all displaced persons have the right to return voluntarily to their former homes, land or places of habitual residence, in safety and dignity. States should ensure that all housing, land and property restitution procedures, institutions, mechanisms and legal frameworks are fully compatible with international human rights, refugee and humanitarian law and related

standards, and that the right to voluntarily return in safety and dignity is recognized therein. Everyone has the right to own such private property as meets the essential needs of decent living and helps to maintain the dignity of the individual and of the home, persons posing as agents and corporations of the government of the USA, INC., in violations of these peremptory norms also violates jus cogens.

The Duties of Mr. John A. Bell d/b/a Judge of the General Sessions Court of Cocke County, Tennessee, Inc., to enforce the policies and practices of Slavery, Slavery Like Practices and Crimes against Humanity displays an act of Abuse of Power and makes this Affiant/Complainant and all other peoples appearing before the General Sessions Court of Cocke County, Tennessee, Inc., victims of a crime by State Officials with sanctions of the State.

Bell, and the Law Firm of Rubin Lublin Suarez Serrano TN, PLLC denies this Affiant/Complainant and all peoples of Cocke County, Tennessee the ability to freely exercise and enjoy all universal human rights and fundamental freedoms that are the birthright of all peoples. with no full disclosure of content and legal use of the contract as a security instrument through fraudulent conveyance, therewith enslaving the people with perpetual debt, thereby violating the jus cogens of slavery like practices, and crimes against humanity.
